Re: *United States v. Salif Ndama-Traore*, 23 Cr. 265 (RMB)

Dear Judge Berman:

On November 12, 2024, this Court sentenced Mr. Ndama-Traore to a period of incarceration. At the sentencing hearing, I failed to request that the Court make a specific recommendation to the Bureau of Prisons concerning Mr. Ndama-Traore's designation. I write on behalf of my client to respectfully request that the Court issue an amended judgment to the filed Judgment in this case (Doc. 170, filed on November 13, 2014) that includes a recommendation to the Bureau of Prisons that Mr. Ndama-Traore be designated to a federal prison as near as possible to Houston, Texas, so that he may be detained close to his family, including his partner and son. I have conferred with the government and they have no objection to this request.

Thank you for your consideration of this request.

Respectfully submitted,

Ken Womble
